Phenom 300, s/n 505-00099

In May of last year, **Boutsen Aviation** and **Kunak Jet Sales** announced their second successful cooperation with the sale of a pre-owned **Dassault Falcon 7X**. Nearly 6 months on, the two companies were pleased to join forces again for the sale of a **Phenom 300**.

**Monaco, March 13th, 2015** - In recent years, the two aviation specialists have concluded business on some of the aviation industry's most in-demand aircraft to include a **Dassault Falcon 7X**, a **Cessna Citation CJ** and most recently on a light jet, **Phenom 300**.

**Oğuz Kunak, owner of Kunak Jet Sales** was particularly complimentary towards **Boutsen Aviation**: *"This transaction was the first for which **Kunak Jet Sales** and **Boutsen Aviation** both cooperated to represent a seller. From a geographic point of view, we were very happy to see **Boutsen** take the lead in handling the process of finding the buyer, presenting the aircraft as well as supporting the sale. Trusting them to handle these important aspects was a given. **Boutsen Aviation** never disappoints and offers clients a dedicated and professional service every time. We are very pleased with the outcome."*

**Mathieu Pezin**, newly appointed Executive Vice President at **Boutsen Aviation** says: *"Since the first*

*collaboration, working with Oğuz has been a pleasure. Not only for us as the representatives but most importantly for the end client. Our satisfaction lies in seeing the buyer and seller happy with the professional and timely manner that the sale was done."*

**Dominique Trinquet**, President at **Boutsen Aviation** adds: *"At Boutsen Aviation we pride ourselves in offering our clients a fusion of the ultimate market knowledge, experience and irreproachable ethics. We are very pleased with how the deal was handled."*

As a well-qualified team with **18** years of sales and acquisitions expertise in Monaco and Dubai, **Boutsen Aviation** has today successfully sold **297** of the world's finest pre-owned and new aircraft. Its current listing for sale of over **22** aircraft comprises heavy, mid-size and light jets as well as turbo prop and helicopters to include a 2013 **Gulfstream G550**, 2009 **Global 5000**, 2003 **Gulfstream GV**, 1990 **Dassault Falcon 900B**, 1981 **Piper Cheyenne II** and 2012 **Eurocopter AS350B3e**.
