**2009 Gulfstream G200** – MSN 225

## Gulfstream G200

The **Gulfstream G200** is a mid-size twin-engine business jet, designed to offer an optimal combination of performance, comfort, and range.

The **G200** can easily connect transcontinental destinations such as New York - London or Dubai - Moscow, with a crew of two pilots and a seating capacity of up to 10 passengers. Its spacious cabin, designed to maximize comfort, features large seats and luxurious amenities suited for business travel.

The jet is powered by two **Pratt & Whitney Canada PW306A engines**, allowing it to reach a cruising speed of Mach 0.80 (approximately 850 km/h).
