### **Boutsen Aviation honoured with its newly acquired title 'By Appointment to HSH the Sovereign Prince of Monaco'**

**Monaco, August 19th, 2014** - Boutsen Aviation is delighted to announce that it has been presented with the honorable title "By Appointment to HSH the Sovereign Prince of Monaco." The exclusive acknowledgement was issued as a result of the efficient and diligent work of reselling aircraft from HSH Rainier III and HSH Albert II of Monaco.

Former Formula One driver, Thierry Boutsen and his wife Daniela Boutsen founded Boutsen Aviation in 1997. Its first 10 aircraft were sold in the Formula One racing world. The company rapidly gained momentum with a total of 289 of the finest new and pre-owned jets sold to date.

Backed by the ultimate in market knowledge, experience of international transactions and irreproachable ethics, Boutsen Aviation is today proud to accept official recognition from the Monegasque Principality.
