

Boutsen Aviation Already Flying Sky High in 2019

January 31st, 2019 - Monaco - Even though it has been less than a month into the new year, **Boutsen Aviation** is already moving at full speed with new aircraft added to the listing, mandates to source, new members joining the team, as well as traveling for industry-related events.

The company has just introduced two new aircraft to the market, a **Falcon 7X** and a **Beechcraft Premier 1A**. *"This 7X is a real beauty"* says President **Dominique Trinquet**. *"With the substantial amount of extra options matched with a pristine interior, I believe this aircraft will go quickly."* The 2007 **Premier 1A MSN RB-196** is also a must-see aircraft. Based in France, it has impeccable pedigree with engines enrolled on TAP Elite.

Boutsen Aviation Already Flying Sky High in 2019...

It is not just birds that have been added to the nest for the beginning of 2019. **Boutsen Aviation** is happy to welcome a new member to the Monaco team. **Benjamin Ribouleau** will act as the new market analyst, providing brokers with the latest up-to-date statistics on the aviation industry as well as assisting in the department of aircraft sourcing. *"I'm thrilled to be a part of Boutsen team,"* says **Mr. Ribouleau**. *"Following the completion of my studies in Aerospace Engineering, this is a perfect opportunity to combine my passion and knowledge in this new field..."*

Finally, the team has been highly active with aviation events across Europe. Just this past week, sales broker **Timothée Marcie** has been in London for the **Corporate Jet Investor event**, and **Thierry Boutsen** and **Dominique Trinquet** attended the annual **Vienna Roundtable in Austria**. Prior to that, **Mr. Boutsen** attended the 3rd Jet Aviation Customer Advisory Board meeting, also in Vienna. The annual event is a gathering of Jet Aviation's most esteemed suppliers and customers. *"External events are extremely important for us"* says **Mr. Boutsen**. *"They allow us to connect with other key players in Business Aviation as well as expanding our presence in both established and new potential markets."* Coming up next at the beginning of February, as a member of the **Monaco Economic Board**, **Mr. Boutsen** will participate in an economic mission to India with 28 other Monegasque Entrepreneurs. He will be joined by **Atiesh Mishra, Boutsen**

Aviation's sales representative in India, to meet existing and potential new customers in the region. *"The mission will take us to New Delhi as well as Mumbai"* says **Mr. Boutsen**, *"and following the success of last year's mission to Beijing, I am very much looking forward to what this trip will bring."*
