F-HTTP - s/n RB-196

2007 HAWKER BEECHCRAFT PREMIER 1A
F-HTTP - s/n RB-196

The Premier 1A stands literally out of the crowd in terms of cabin comfort. With its 315 cubic-foot cabin, it can comfortably board up to 6 passengers in club-4 configuration. While it is classified as a light private jet, its dimensions exceed those of some heavy business jets.

Powered by two powerful Williams/Rolls-Royce FJ44-2A engines, the Premier 1A can cover a long-range travel of 1,380 nautical miles while loaded at its maximum take-off weight of 12,500 pounds. The combination of performance and comfort makes the Premier 1A a highly appreciated aircraft that is ideal for short-haul flights.

Total Time Airframe*	2,234 TSN
Cycles*	1,840 CSN
